The purpose of the dissertation entitled *Father Hieronin Warachim OFMCap (1916 - 2011) and His work* is to show the life and versatile activity of an outstanding capuchin with the heart devoted to Lviv, a man of a prayer and the Eucharist, a patriot and chaplain of the Home Army who was in love with and always faithful to the city and the history of his homeland, editor and poet, educator of young Poles and Honorary Citizen of Sedziszow Malopolski.

This student of the chaplain of Polish Legions Father Kosma Lenczowski, apologist of the thought of Saint Father Pio and Saint John Paul II implemented his vocation in many monasteries, organizing catechetical pastoral care for the sick, charity, sobriety, missionary and retreatal work. With his attitude and work, he contributed to the integration of Polish society on the Recovered Territories, the development of sacred buildings and thanks to his commitment and preached sermons, the cult of the stigmatic from San Giovanni Rotondo began to develop in the Podcarpathian region.

Father Warachim - confessor and guide in the Loretto sanctuary, superior of the Franciscan community in Wiener Neustadt, conducted active publishing. As a vice postulator of the beatification process of Father Serafin Kaszuba, he devoted many books to a Divine wanderer in Volyn, Kazakhstan and Russia. The successive generations of committed and seeking people derived and are deriving from the achievements of the senior of scout movement, honorary chaplain of the Riflemen Association "Strzelec" and propagator of the memory of Stouthearted Soldiers.
